Rohan Bin Delowar
Software Engineering Student

"Aspiring software engineering student with coding proficiency and a keen interest in software development. I am eager to learn and contribute to real-world projects. Dedicated problem-solver with a passion for creating efficient and user-friendly software solutions."

Experience

Mar 2023 – Current
Mcdonald's // Crew Trainer
Recognized as **Employee of the Month** for exceptional performance and leadership as a Crew Trainer at McDonald's. Guided and trained team members to uphold operational standards, deliver excellent customer service, and ensure safety compliance. Facilitated a positive work environment while contributing to the professional growth of colleagues.

July 2023 – Aug 2023
CNE // Game Attendant
As a CNE Game Attendant, I adeptly managed games, ensured top-notch customer service, and maintained equipment. Accurately handled transactions and fostered a positive atmosphere, resulting in being recognized as a valuable employee who consistently surpassed sales targets.

Jan 2023 – Jun 2023
Sarkar Foods // Cashier
As a Cashier at Sarkar Foods, I efficiently processed customer transactions, ensuring accuracy and timeliness. I provided excellent customer service, addressing inquiries and resolving issues with a positive attitude. I maintained a clean and organized checkout area, contributing to a pleasant shopping experience. Additionally, I consistently met cashier performance metrics and upheld cash handling protocols.
